In case of accident with a third party, it is absolutely necessary to report registration number, insurance company details, name and surname of the driver and of all possible witnesses, name and surname of the owner of the vehicle (which can be found on the car papers). Such pieces of information are necessary.

If new damages (not pre-existing upon pick up) are found when checking the vehicle in (drop off) and if these are not covered by the clauses reducing and/or eliminating Customer's liability (Car Protection Plus and/or Pai Plus or Super Gold Protection clauses), the procedure will be the following:

- in case of a damage included in the SBC "Damages Table", the drop off location identifies the damage immediately and jointly with the Customer, quantifies it and proceeds with charging the relevant amount on his credit card;
- in case of a damage not included in the SBC "Damages Table", once it has been identified jointly with the Customer, the drop off location freezes, by way of caution, an amount on his credit card without charging it and waiting for the damage is quantified by an appropriate damage report. Once the damage report has been issued, Customer will be sent a communication with the documents showing the damage and the relevant quantification. As 5 days have gone by after this communication, the amount quantified by the damage expert will be charged;
- in all cases where it is not possible to identify the damage jointly with the Customer (for any cause due to him) Sicily by Car S.p.A. – Auto Europa freezes an amount on his credit card by way of caution without charging it and proceeds with the quantification of the damage either by the SBC Damages Table or by a damage expert. Customer will then be sent a communication with the documents showing the damage and the relevant quantification. As 5 days have gone by after this communication, the amount quantified by the damage expert will be charged;
- Customer can dispute the damage and/or its quantification. In such cases, Sicily by Car – Auto Europa takes Customer's reasons and gives feedback for them. If Customer's dispute is met, no charge will be made or a refund will be made if the damage has already been charged. If Customer's dispute is received within 5 days after the communication sent to him and containing the charge notice, the file will be temporarily kept in stand-by and no charge will be made until all checks have been completed.

In case Customer reports a claim for accident not caused by him (Accident Report Form –CID- with Customer's signature only), Sicily by Car S.p.A. – Auto Europa will charge him, by way of caution, an amount quantified by the SBC Damages Table or by an appropriate damage report (in case of damages not included in the SBC Damages table) waiting for the file to be completed by the Insurance Company.

In case of insurance compensation, this will be deducted from the amount charged to the Customer. If the damage caused by the accident is attributed to the Customer, then he will also be charged for the damage report cost (in case this has been issued) and for the postal fees.

Only in case a Customer who reports a claim not caused by him hands out also an Accident Report Form –CID- signed by the third party, then he will not be charged for the amount contractually stated as damage responsibility. If the third party's insurance company does not pay the damage because the here above form (CID) results incomplete, inadequate, or the accident results being in contributory negligence or passive, the amount of the damage caused to our vehicle up to a maximum of the damage penalty contractually stated will be claimed by Sicily by Car S.p.A. – Auto Europa.

The Damage Report Form –CID- signed by the third party must be always handed out even if the damages are covered by the subscription of the optional clauses for limitation and/or elimination of liability (Car Protection Plus and/or Pai Plus).

### **Road Assistance Plus**

The subscription of this optional clause when entering the rental agreement exempts the Customer from paying the tow truck service expenses, provided that the need of the tow truck service is not caused by some event due to malice or negligence. The “Road Assistance Plus” clause has the following costs:

- for monthly rentals (30 days), **€ 35,00** plus VAT+ plus 16% apt/dt surcharge for all car groups. Any extension will be calculated on the basis of the monthly cost divided by the actual number of rental days;
